

Reasons for immigration

Task 1:

Tell your partner: Have you ever lived in another country? If yes, for what reason? Did you feel you were treated differently as a “foreigner”? If yes, how? What did you do to integrate? If no: Would you like to live in another country? Why (not)? What would you do to integrate?

Task 2:

Look at current statistics about the proportion (%) of foreigners among the population in different countries, e.g.:

(*) Provisional.

Which countries have the highest proportion of foreigners? Are they mainly from other EU countries or from outside the EU? What do you think could be the reasons for this?

Task 3:

Check up where last year most immigrants to your country came from; inform your partner and compare. What could be reasons for the immigration?
