Task 1:

What does the way you dress tell people about you? Do you ever wear clothes with political messages? Clothes that advertise your favourite music or culture? Why or why not?

How much attention do you pay to the clothes others wear? How much do clothes influence your first impression of a person?

Casual

Formal

Stylish

Trendy

Elegant

Shabby

Task 2:

“Clothes make the man” is an expression about the importance of clothes to identity. What do you think of this expression?

Do you know any other expressions related to fashion? Are there similar expressions in your different countries?
