Task 1:

Imagine you are moving to each other's town. What would your partner need to know before moving? Consider the following ideas:

- accommodation
- access to the health system
- local public transport
- communications with other towns
- opening a bank account
- job search
- the best areas for student life
- entertainment

Utilities (electricity, gas, water, phone, Internet connection)

Health insurance

Bus/metro fares

Single/return ticket

Part-time / full-time job

Nightlife
