

My home

Pre-task:

Take some pictures of your home.

Task 1:

Tell your partner about your house or flat. At the same time, you can show him/her what you are describing with the phone or laptop camera.

- How many rooms are there?
- How many people live there?
- Do you have a favourite spot?
- What is the decoration in common areas and your room like?
- Are there any special features (terrace, garden, surroundings)?
- What would you change about it?

I live in a flat/detached house/terraced house/villa.

My house/flat has ... bedrooms and ... bathrooms.

It is in the suburbs/in the city centre.

I live with my family/2 flatmates.

My favourite spot is...

I'd prefer / I'd rather have...
